GLOBE SCIENCE & ENVIRONMENT OLYMPIAD

GLOBE Science & Environment Olympiad is an initiative taken by Indian Environmental Society whose goal is to promote STEM education (Science, Technology, Engineering and Math). The Olympiad is designed to encourage students to explore, discover, and learn more about STEM education. The main aim of GLOBE Science & Environment Olympiad is to promote a career in STEM and to help all students reach higher level of achievement in “**STEM education**” and “**STEM jobs**”. It provides a great opportunity to compare educational methods and exchange experiences at international levels.

GSEO is one of highly emerging concepts among young generation. GLOBE Science & Environment Olympiad being one of the unique and innovative platforms also serves an opportunity to the students by providing them the Knowledge about “**STEM**” Studies.

This is the 7th Year of **GLOBE Science Environment Olympiad** and more than 60,000 students have participated in this program.
